SUBJECT: Investigation Closure Letter

Dear Dr. Adelson,

The investigation involving the allegation of you operating outside of the scope of your profession is now complete. In review of the information from a similar complaint in 2014, current Utah State Statute, and a new physician review, there is no information or evidence you are practicing outside of the scope of a naturopathic physician. The case is now closed as unfounded.

Thank you for your cooperation during this investigative process.

If you have any questions or concerns please feel free to call me at my office phone, 801-530-6152, or email at tbhibler@utah.gov.

Sincerely,

Timothy B. Hibler
